

ANNUAL CONFERENCE 2015

Monday afternoon – June 15th 2015

Conference began at 2.30pm.

The President, Mr. George Phillips, welcomed all to the 166th Annual Conference after which the hymn 'Lord for the years' was sung. He then read Philippians chapter 4 verses 10 – 19 and commented on how God blesses devoted and faithful service and how he has seen this happening in various places through the Union. This is reason for encouragement. We must support one another and look for God's blessing.

Following the singing of the hymn 'Be still, for the presence of the Lord, the Holy One is here', Conference took part in a time of prayer.

Afternoon tea was shared, after which business commenced.

14. Christian Ethics and Social Action

Report by Mrs D. Hodkinson

On Thursday May 7th, the United Kingdom was involved in yet another important General Election. During the past five years we have been governed by a Coalition Government, but not even the opinion pollsters could predict the outcome this time.

I am sure that many MP's will have been elected to the House of Commons for the first time, and it is important that we, as Christians, establish where they stand on a number of Christian values. You will not agree on everything, but they may hold values that are important to you. Contact them regularly. Remember you pay them; you appoint them and you can also dismiss them. Above all pray for them that they may know God's perfect will for our nation.

Our committee has been busy again this year. For example, we have contacted the Travelodge company to protest about their decision to remove Bibles from their rooms We have also encouraged Hope UK to train more youth leaders to deal with drug addicts, and so much more.

Our Values day in February dealt with the challenging subject of "The sanctity of life". It was especially relevant in the light of cutbacks and shortage of care home places. Thanks to Ian Fall and Andy Wilcock for their contribution.

Thanks also to all Churches who support the work financially. A list of recipients is in the financial report.

The report was proposed, seconded and accepted by Conference.

The following Officers were approved:

Chair – Rev. Ian Fall

Secretary – Mrs. Daphne Hodkinson

He will endeavour to address his talks to any who have responsibility for leading and speaking in the various elements often found in church life - Sunday school, Men's and ladies fellowships, children's clubs, Bible Studies and Sunday services.

In 2016 the Retreat will be on October the 15th. The speaker will be Mr Mark Foster of the Wirral a member of SGA.

On April 12th 2015 we held our spring event at Ibstock when Rev G.D.Lee took as his Theme "Four conversations Jesus had" and 42 people attended.

We were all saddened to hear of the death of Mr Percy Johnson who, along with the late Herbert Sykes, was one of the instigators of the Local Preachers Fellowship meeting in Percy's home. He was always a great encourager and supporter always having a great interest in Local preachers and Ministers. Since his move to Cirencester he had been unable to attend meetings but he maintained a lively interest in the work and was pleased to receive the notes and recordings from the retreats. He was always a joy to talk to on the phone and will be sadly missed.

We are delighted that two of our Committee Emma Wilcock and Ray Evans have received Maundy money from the Queen in recognition of Christian service.

We record our sincere thanks to Emma who has served on the committee as Chairman and Treasurer for several years.

We are grateful to all our local preachers who serve God so faithfully.

22. Young People's Department Report Report by Mrs Beth Ely

The Committee have met regularly throughout the year for prayer and discussion on the work with young people in the Union.

We had hoped to organise a joint youth event with the Independent Methodists but so far this has not been possible. The far flung dispersal of our churches makes it very difficult to plan a national event, and local events are very demanding on human resources. Some groups already join forces to celebrate together; several using the talents of our youth worker, Martin Ludbrook.

During the year we have continued to monitor and update the Safeguarding document providing information for churches and youth groups to use.

The policy offering advice on the use of social media is available on the web site and we are very fortunate to have Steve Blyth to keep us in touch with the very latest legislation to guide us safely and within the law. Social Media can be a minefield especially where young people are concerned and it is important that the adults who organise activities for young people and vulnerable adults know how to keep their members and themselves safe.

If anyone has any ideas for future events or is seeking information or ideas for use in their youth work and Sunday Schools please contact a member of the committee.

23. Home Missions Report Report by Pastor Andy Wilcock

We want to give praise to God for the invaluable contribution that Paul Busby made to the work of the Home Missions Department. Paul had a spirit-empowered passion and determination for the ongoing work in our churches. His proactive attitude and analytical approach to the work will be hugely missed! Although we will greatly miss Paul and his wise presence in the meetings, we seek to continue with the projects we were working on with him. Seeing this material working to encourage and challenge our churches, in outreach and the proclamation of the gospel is our desire and we are certain it would be Paul's.

As a committee we are excited to be launching two packs for churches to use in helping them become more effective in their local area. The first is a Tool Kit that will help you as a church identify where change needs to happen and to help you start planning on how to bring this about. The second is a collection of ideas on Hospitality, with the aim to be a blessing and connect with your local community. Later on this year we are

looking to launch further resources on 'Sharing your faith', 'Discipleship' and others. These resources will be free to download from the website and we are looking to you to add more ideas in the future.

Resources to be launched at Conference 2015

Mission Action Planning Tool

This tool is designed to help you as a church reflect on growth, and on which direction you need to focus your work in Christ. In his year as President, Andy is looking to take this in person to each church he visits during his Presidential year. The Home Missions committee will offer support to our churches with regard to the action plan they come up with.

The main areas it helps you look at are.....

- 1) A place of Welcome and Belonging
- 2) A place of Worship and Prayer
- 3) A place of Nurture, Discipleship and Vocation
- 4) A place with a Clear Mission and Purpose and Good Collaborative Leadership
- 5) A place of Empowerment and Involvement for your whole church
- 6) A Base for Evangelism, Outreach and Numerical Growth
- 7) A place of Serving and Transforming - Salt and Light
- 8) A place Actively Seeking to Engage with Children and Teenagers

Hospitality Template

This is a series of tried and tested ideas that can be easily adapted to your own situation. They are underpinned by the Biblical teaching that expresses the very nature of God to offer hospitality in a variety of ways.

25. Ministerial Committee Report Report by Rev C Braithwaite

This year has been an interesting year for the Ministerial Committee. Following the decision to ordain women into our ministry at our last Conference, we have subsequently interviewed Sharon Hollamby (formally from our Alma Street Church but now worshipping at our Rushden Mission Church) for ministry in the Union. The Committee were unanimous in endorsing her as a possible candidate for Ordination once the required studies have been completed.

Eddison Mubengo (a member of our Clydebank Church) is currently pastoring a fellowship in Glasgow. He has recently completed his studies and has been interviewed by the Ministerial Committee on his dissertation. As a result of a successful interview, Eddison will be Ordained during the Conference Communion service. His intention is to bring his fellowship into the family of the Union and we give them a very warm welcome

Michael Hedley (Pastor of the Word of Life Church in Ashington) has been interviewed and accepted as a possible candidate for Ordination but needs to complete his three years membership of a WRU Church along with the necessary studies before Ordination can take place. Michael has already brought his existing fellowship into the Wesleyan Reform Union. Michael & Lindsay will be with us at Conference.

The full Committee met with Dave Clifford to discuss his theological dissertation with him but following that meeting did not feel able to offer him for Ordination. Dave will be leaving the Ivinghoe & Pitstone Church at Conference and has accepted an invitation to become pastor of our Hough Lane Church

Steve Karma has given the Ebenezer, Oldbury Church notice that he will be leaving them in July for further ministry outside the Union.

Our Union Tutor, Ady Rugeruzza took extended (unauthorised) leave of absence and, as a result, has resigned as Minister of our Jump and Staincross churches. His role as Tutor has been suspended by the Ministerial Committee and the Tutor Emeritus (Rev Geoffrey Lee) has agreed to act as tutor for all current students. For any new students, we will investigate training courses from other sources.

Our current students, Mary King, Jon & Cita Bennets, Graham Johnson, Jackie Clarke, and Michael Hedley continue with their respective studies.

The Hazlemere Church has interviewed Sharon Hollamby and made an invitation to her to become their next Minister once her studies are complete and Ordination has taken place.

The Heath End church is currently seeking a minister. Since last Conference the Ashington, Rotherham Ebenezer and Farnham Common Churches have taken the decision to close.

Sadly, we have to report that during the last year two of our Ministers and Pastors (Ralph Thompson and Paul Busby) have died. We continue to remember Hazel and Brenda, and their families in our prayers.

We are grateful to all our ministers and leaders for their willingness to serve the Lord and His people in this way and would ask that you continue to remember all of them in prayer.

26. Safeguarding issues

There is a new Government document called 'Working together to Safeguard children', promoting the welfare of children statutory guidance as to how to safeguard children. The document includes information on what is a 'notifiable incident', 'a definition of serious harm' and 'the need to report adults when suspicions arise.'

There is a need to have clear accountability for everybody in the church.
There needs to be a designated leader in the church
There needs to be a clear policies within the church

Churches need to refer paragraph four in the document which clearly refers to churches in this context.

ANNUAL CONFERENCE 2015

Tuesday afternoon – June 18th 2015

Women of Action President Beth Ely read from Matthew 28 v 11 – 20

Beth explained that when invited to be WA President she was tempted to go alone, I can do this, then can I. God said to her, you are not alone, don't try it alone, I am with you.

Go out into the world and preach the Word of God.

We can as Church be so busy doing what we do within our four walls that we don't take the message outside.

When we have good news we want to tell everybody about it, we must act quickly and spread the Good News, because for some people tomorrow may be too late.

Overseas Missions Department Report

Report by Mrs J Shepherd

What a difficult year this has been for so many Christians throughout the world!

As I write this report, I am thinking of the number of Christians who have been displaced from their homes during the year and how many have suffered severe persecution for no reason other than that they believe in Jesus.

It is always difficult to know what we can do to help in these situations. So often we think that the only things we can do effectively are to pray and to give. I am sure that the most effective way of helping our brothers and sisters in Christ is to pray for them and also to send money and other gifts to assist them in their every day living. However, there must be more! And to that end, we are in the process of arranging an Away Day which we hope will take the form of a workshop to show the many and varied ways in which we can support the Church Worldwide in their suffering. By the time we are at Conference, the date, venues and organisations to be involved should be confirmed. At the moment, we are working on the date of Saturday 21st May 2016 for this special day. Please do put the date in your diary so that you do not miss this time when we can really find out more.

Last year I said we might even have made the lofty heights of being able to use FaceBook and Twitter to share OM news. Sorry! We have failed on that one. However we are managing to put some articles on our page on the Union web site. Please just take a look from time to time.

Despite articles in Contact about Twinning with an overseas Church, we have had no more enquiries during the year about new "twins". However, the offer of help remains and if your Church does wish to investigate, please contact us.

Irvine Grey had intended to visit the House of Hope during the year so that we could have fresh photos and information from our project. We do know that they have started work on the kitchens, but sadly, Irvine's flight from Mombasa to Nairobi was cancelled and so he was unable to make the visit. We hope to have more

photos for our display board in the Conference Hall. £2,000 has been sent to the work to date but a final figure will be announced at Conference.

For our project this year, we move back to India, southern India to be exact, and partner with the Fountain of Life Ministries in a ministry set up to improve the lives of some of the poorest people in rural India. There will be more information about this on our stand.

We thank all of our Churches for their support for our missionaries and for our projects over the years and look forward to meeting many of you again at Conference.

Jan also brought to our attention the plight of the persecuted Church, it is so easy to say that we will pray for them, but things get in the way and stop us, the devil does not want us to pray. Next years Away Day with Open Doors will be an opportunity to increase our focus. Saturday 21st May workshop at a venue to be arranged.

Jan showed Conference the Wycliffe translation of the Gospel of Luke in the Waji language, as a result of our past projects, and dubbed Jesus film into their language.

This year project is the "Fountain of Life", based in Hope Valley in Derbyshire. Based in Andhra Pradesh in Southern India. They have built a building known as the Home of Hope, teaching ladies to sewing classes and a playing area, workers are Indian Christians drawn from the area.

The total given for the 2014/ 2015 project, House of Hope was £4,500.00

Women of Action Report

27. Report by Mrs S Fall

We would like to thank Meryl Griffiths for serving the Women of Action whilst in her year of office as President. Meryl has expressed the need for us to extend our vision, to be able to get alongside the women within the union where they are, to build on those connections and be a support to them. Meryl commented that she had gained in confidence as the year had progressed and it had been an interesting journey.

We welcome Beth Ely as our incoming President and pray that she will know God's presence and guiding as she ministers, and travels around the Union. Please continue to pray that God will enable Beth, protect her and bless her in all that she does on behalf of the Women of Action and I would encourage you to invite her to come to your church/meeting during her year of office.

The Autumn Reflection day in September last year at Moira Church was a very blessed time together. Sam Darby led us through the theme of 'Gems in God's Treasure Store'. We were reminded of how precious we each are to God, how individual, unique and specific, yet each one made for a purpose. We continue to be in awe of God as He affirms us and makes something beautiful of each life given over to Him.

The Spring Event this year was at Rushden Mission Church. This was a day of teaching led by Rev Elaine Roberts of World Mandate Ministries. Elaine took our name as her theme for the day and spoke Gods word to us all. Her 3 points were 'stop talking' 'listen to God' and 'do what he says'. Many women were impacted by God through Elaine's words, and lives were changed through the work of the Holy Spirit. One lady was also miraculously healed from the broken shoulder she had had for 5 months. It was an incredible day and I know that God will continue to work in our lives so that we will all be women of action, willing for God to use us, whatever way he chooses.

The Women of Action have been pleased to give a grant to Bethel Community Church for a holiday club that they did in August last year.

I am writing this report just days after our morning of prayer and AGM and what a day that was. We questioned the whole purpose of the Women of Action. We spent a lot of time in prayer because we recognise the need for us to listen to God, hear what He is saying and then act on it. It is no good making plans if they are not God's plans. We also acknowledged that we should not be restricted by the structures that are in place at the present time, if God is calling us into something new. The role of President was also

questioned, and it was suggested that perhaps with possible future changes, this role may adapt as we move on in all that God has for us. We definitely have a clear sense that the Women of Action needs to change from its present state of seeming to be irrelevant into something that will be more useful in today's world, for women of all ages throughout our churches.

It was felt that we needed to define our purpose and know what our mission is. 'To encourage and support all women of the church community in their faith and witness'

We believe that we should be supporting, encouraging and helping the ladies within our union of churches where they are within their local church and communities. Whether this be in providing extra hands to enable them to put on an event themselves or for us to host different events through the year in different regions. Or even just to be at the end of the telephone to have an encouraging conversation.

From the initiative that was realised last year, about helping ladies to put on an event we have been asked to help with an evangelistic ladies day at Church on the Rock. This is on Saturday July 18th. We have also had a request from another church for a ladies day which is yet to be arranged. We have put working parties together to arrange 2 other events in different regions as well and details will be sent out when finalised.

We will continue to seek God's will for the Women of Action, and there will be another meeting in September, where the ladies of the churches will be invited to attend and we can assess again where and how God is leading us. Date and venue to be announced.

We would ask for your continued prayers that we would be attentive and obedient to His voice, and thank you in advance for your support as we serve our God together and enable and equip the women of our Union of churches.

Officers for the year are:

| | |
|---|----------------------------|
| President | Beth Ely |
| President Elect | Sandra Fall |
| Secretary | Sandra Fall |
| Treasurer | Daphne Hodkinson |
| Contact Secretary | Anne- Marie Wilcock |
| Representative to Women's World Day of Prayer | Muriel Stonehewer |
| Representatives to General Committee | Beth Ely , Meryl Griffiths |

Sandra Stressed Beth's availability next year and hers the year after to involve in Church life, to met with women of Churches, not just Sunday. But through the week activities too.

They have questioned everything they do to measure the relevance to today, they must be following what God would have them do.

Future events Saturday 19th September at Coal Aston to review structure and to hear what God has to say to them. 10:30 to 12:30.

An event is planned in February/ March at Bedworth with Fred and Fran who have an amazing testimony of forgiveness after their 17year old son was murdered in 2007.

30. Housing for Retired Ministers Fund Report

Report by Rev C Braithwaite

It is some years now since the Housing Trust was set up in our Union in an effort to assist our ordained Ministers financially, particularly at the time of their retirement when sometimes they have problems with housing and other needs. It has been a joy to be able to help several of the Ministers over the years in different ways.

One of our Ministers has retired this year and another two plan to retire in the near future. The Trustees of the Scheme are always ready to discuss problems with our retiring or retired Ministers and to help where they can. In the first instance they would encourage any of our retired Ministers to contact the General Secretary to request an application form. Any requests will receive a sympathetic ear.

Sadly, during the year, Paul Busby, a Trustee of the fund, has died. In addition, Neil Sowerby has resigned as a Trustee. As a result of that, a recommendation will be brought to Conference for new Trustees to replace them. Muriel Stonehewer, George Phillips, and Brian Pratt continue to serve as Trustees.

Since last Conference the Trustees have received donations from several of our Churches and this has been very encouraging. Thank you to every Church who has helped in this way, it is much

appreciated and we look forward to new and continued support. If any Church feels able to support the work, even in these uncertain days of economic crisis, kindly send donations to Church House.

31. Ministers' Provident Society Report
Report by Rev P Hearson

As always, firstly we want to say a heartfelt thank you to those who have supported the Society over the past 12 months whether it was in prayer, financially or with your words of encouragement.

Over the year the number of annuitants has changed as two of our Ministers have reached the age of 65 and therefore have started to receive the quarterly gift. We have to report the passing of Rev. Ralph Thompson and Mrs. Marjorie Taylor (wife of Rev. Reg Taylor) during the year. Funeral gifts were made to their families. Currently we support 9 ministers and 4 widows. Those who receive gifts are very grateful for this support and many phone calls, letters, cards and emails are received. We now pay all gifts direct into bank accounts although a quarterly letter is still sent to ensure regular contact and encouragement.

You will note from the accounts that the balance has once again fallen by in excess of £9,000. We are pleased to report that gifts to the society have increased during the year but at the same time the amount of interest received has fallen due to the continuing low rates which are available.

The annuities will remain at £1000 per year and the funeral grant will remain at £500 despite the fall in funding.

We continue to support those who have given so much to the work of our Lord particularly through the Wesleyan Reform Union of Churches and we very much value your partnership with us in this important work.

14. Christian Ethics and Social Action

Report by Mrs D. Hodkinson

On Thursday May 7th, the United Kingdom was involved in yet another important General Election. During the past five years we have been governed by a Coalition Government, but not even the opinion pollsters could predict the outcome this time.

I am sure that many MP's will have been elected to the House of Commons for the first time, and it is important that we, as Christians, establish where they stand on a number of Christian values. You will not agree on everything, but they may hold values that are important to you. Contact them regularly. Remember you pay them; you appoint them and you can also dismiss them. Above all pray for them that they may know God's perfect will for our nation.

Our committee has been busy again this year. For example, we have contacted the Travelodge company to protest about their decision to remove Bibles from their rooms We have also encouraged Hope UK to train more youth leaders to deal with drug addicts, and so much more.

Our Values day in February dealt with the challenging subject of "The sanctity of life". It was especially relevant in the light of cutbacks and shortage of care home places. Thanks to Ian Fall and Andy Wilcock for their contribution.

Thanks also to all Churches who support the work financially. A list of recipients is in the financial report.

The report was proposed, seconded and accepted by Conference.

The following Officers were approved:

Chair – Rev. Ian Fall

Secretary – Mrs. Daphne Hodkinson

Report by Mrs C Nicholls

Our Annual Retreat was held on October 19th 2014 at the Jump Church when the speaker was Rev Bill Patterson who took as his theme “What’s in a Name” We were challenged and blessed as he led us through the sessions.

We are grateful for his ministry. It was attended by 34 people. Our grateful thanks are expressed to the Jump church who hosted the day at very short notice.

Full manuscripts can be obtained from carol@carolnicholls.wanadoo.co.uk

Details of the Retreat to be held on October 17th 2015 are as follows:-

Cost £15.00

Venue: - Jump Church

From 10.00am for coffee with the sessions commencing at 10.30 through to 4.00pm after which the Annual Committee Meeting will be held.

Speaker: Rev Mike Stringer of Leicestershire.

Theme: “What are we trying to achieve?”

He will endeavour to address his talks to any who have responsibility for leading and speaking in the various elements often found in church life - Sunday school, Men's and ladies fellowships, children's clubs, Bible Studies and Sunday services.

In 2016 the Retreat will be on October the 15th. The speaker will be Mr Mark Foster of the Wirral a member of SGA.

On April 12th 2015 we held our spring event at Ibstock when Rev G.D.Lee took as his Theme "Four conversations Jesus had" and 42 people attended.

We were all saddened to hear of the death of Mr Percy Johnson who, along with the late Herbert Sykes, was one of the instigators of the Local Preachers Fellowship meeting in Percy's home. He was always a great encourager and supporter always having a great interest in Local preachers and Ministers. Since his move to Cirencester he had been unable to attend meetings but he maintained a lively interest in the work and was pleased to receive the notes and recordings from the retreats. He was always a joy to talk to on the phone and will be sadly missed.

We are delighted that two of our Committee Emma Wilcock and Ray Evans have received Maundy money from the Queen in recognition of Christian service.

We record our sincere thanks to Emma who has served on the committee as Chairman and Treasurer for several years.

We are grateful to all our local preachers who serve God so faithfully.

Chairman: Rev M Nicholls

Secretary: Mrs C Nicholls

22. Young People's Department Report Report by Mrs Beth Ely

The Committee have met regularly throughout the year for prayer and discussion on the work with young people in the Union.

We had hoped to organise a joint youth event with the Independent Methodists but so far this has not been possible. The far flung dispersal of our churches makes it very difficult to plan a national event, and local events are very demanding on human resources. Some groups already join forces to celebrate together; several using the talents of our youth worker, Martin Ludbrook.

During the year we have continued to monitor and update the Safeguarding document providing information for churches and youth groups to use.

The policy offering advice on the use of social media is available on the web site and we are very fortunate to have Steve Blyth to keep us in touch with the very latest legislation to guide us safely and within the law. Social Media can be a minefield especially where young people are concerned and it is important that the adults who organise activities for young people and vulnerable adults know how to keep their members and themselves safe.

If anyone has any ideas for future events or is seeking information or ideas for use in their youth work and Sunday Schools please contact a member of the committee.

23. Home Missions Report Report by Pastor Andy Wilcock

We want to give praise to God for the invaluable contribution that Paul Busby made to the work of the Home Missions Department. Paul had a spirit-empowered passion and determination for the ongoing work in our churches. His proactive attitude and analytical approach to the work will be hugely missed! Although we will greatly miss Paul and his wise presence in the meetings, we seek to continue with the projects we were working on with him. Seeing this material working to encourage and challenge our churches, in outreach and the proclamation of the gospel is our desire and we are certain it would be Paul's.

As a committee we are excited to be launching two packs for churches to use in helping them become more effective in their local area. The first is a Tool Kit that will help you as a church identify where change needs to happen and to help you start planning on how to bring this about. The second is a collection of ideas on Hospitality, with the aim to be a blessing and connect with your local community. Later on this year we are

looking to launch further resources on 'Sharing your faith', 'Discipleship' and others. These resources will be free to download from the website and we are looking to you to add more ideas in the future.

Resources to be launched at Conference 2015

Mission Action Planning Tool

This tool is designed to help you as a church reflect on growth, and on which direction you need to focus your work in Christ. In his year as President, Andy is looking to take this in person to each church he visits during his Presidential year. The Home Missions committee will offer support to our churches with regard to the action plan they come up with.

The main areas it helps you look at are.....

- 1) A place of Welcome and Belonging
- 2) A place of Worship and Prayer
- 3) A place of Nurture, Discipleship and Vocation
- 4) A place with a Clear Mission and Purpose and Good Collaborative Leadership
- 5) A place of Empowerment and Involvement for your whole church
- 6) A Base for Evangelism, Outreach and Numerical Growth
- 7) A place of Serving and Transforming - Salt and Light
- 8) A place Actively Seeking to Engage with Children and Teenagers

Hospitality Template

This is a series of tried and tested ideas that can be easily adapted to your own situation. They are underpinned by the Biblical teaching that expresses the very nature of God to offer hospitality in a variety of ways.

25. Ministerial Committee Report Report by Rev C Braithwaite

This year has been an interesting year for the Ministerial Committee. Following the decision to ordain women into our ministry at our last Conference, we have subsequently interviewed Sharon Hollamby (formally from our Alma Street Church but now worshipping at our Rushden Mission Church) for ministry in the Union. The Committee were unanimous in endorsing her as a possible candidate for Ordination once the required studies have been completed.

Eddison Mubengo (a member of our Clydebank Church) is currently pastoring a fellowship in Glasgow. He has recently completed his studies and has been interviewed by the Ministerial Committee on his dissertation. As a result of a successful interview, Eddison will be Ordained during the Conference Communion service. His intention is to bring his fellowship into the family of the Union and we give them a very warm welcome

Michael Hedley (Pastor of the Word of Life Church in Ashington) has been interviewed and accepted as a possible candidate for Ordination but needs to complete his three years membership of a WRU Church along with the necessary studies before Ordination can take place. Michael has already brought his existing fellowship into the Wesleyan Reform Union. Michael & Lindsay will be with us at Conference.

The full Committee met with Dave Clifford to discuss his theological dissertation with him but following that meeting did not feel able to offer him for Ordination. Dave will be leaving the Ivinghoe & Pitstone Church at Conference and has accepted an invitation to become pastor of our Hough Lane Church

Steve Karma has given the Ebenezer, Oldbury Church notice that he will be leaving them in July for further ministry outside the Union.

Our Union Tutor, Ady Rugeruzza took extended (unauthorised) leave of absence and, as a result, has resigned as Minister of our Jump and Staincross churches. His role as Tutor has been suspended by the Ministerial Committee and the Tutor Emeritus (Rev Geoffrey Lee) has agreed to act as tutor for all current students. For any new students, we will investigate training courses from other sources.

Our current students, Mary King, Jon & Cita Bennets, Graham Johnson, Jackie Clarke, and Michael Hedley continue with their respective studies.

The Hazlemere Church has interviewed Sharon Hollamby and made an invitation to her to become their next Minister once her studies are complete and Ordination has taken place.

The Heath End church is currently seeking a minister. Since last Conference the Ashington, Rotherham Ebenezer and Farnham Common Churches have taken the decision to close.

Sadly, we have to report that during the last year two of our Ministers and Pastors (Ralph Thompson and Paul Busby) have died. We continue to remember Hazel and Brenda, and their families in our prayers.

We are grateful to all our ministers and leaders for their willingness to serve the Lord and His people in this way and would ask that you continue to remember all of them in prayer.

26. Safeguarding issues

There is a new Government document called 'Working together to Safeguard children', promoting the welfare of children statutory guidance as to how to safeguard children. The document includes information on what is a 'notifiable incident', 'a definition of serious harm' and 'the need to report adults when suspicions arise.'

There is a need to have clear accountability for everybody in the church.
There needs to be a designated leader in the church
There needs to be a clear policies within the church

Churches need to refer paragraph four in the document which clearly refers to churches in this context.

ANNUAL CONFERENCE 2015

Tuesday afternoon – June 18th 2015

Women of Action President Beth Ely read from Matthew 28 v 11 – 20

Beth explained that when invited to be WA President she was tempted to go alone, I can do this, then can I. God said to her, you are not alone, don't try it alone, I am with you.

Go out into the world and preach the Word of God.

We can as Church be so busy doing what we do within our four walls that we don't take the message outside.

When we have good news we want to tell everybody about it, we must act quickly and spread the Good News, because for some people tomorrow may be too late.

Overseas Missions Department Report

Report by Mrs J Shepherd

What a difficult year this has been for so many Christians throughout the world!

As I write this report, I am thinking of the number of Christians who have been displaced from their homes during the year and how many have suffered severe persecution for no reason other than that they believe in Jesus.

It is always difficult to know what we can do to help in these situations. So often we think that the only things we can do effectively are to pray and to give. I am sure that the most effective way of helping our brothers and sisters in Christ is to pray for them and also to send money and other gifts to assist them in their every day living. However, there must be more! And to that end, we are in the process of arranging an Away Day which we hope will take the form of a workshop to show the many and varied ways in which we can support the Church Worldwide in their suffering. By the time we are at Conference, the date, venues and organisations to be involved should be confirmed. At the moment, we are working on the date of Saturday 21st May 2016 for this special day. Please do put the date in your diary so that you do not miss this time when we can really find out more.

Last year I said we might even have made the lofty heights of being able to use FaceBook and Twitter to share OM news. Sorry! We have failed on that one. However we are managing to put some articles on our page on the Union web site. Please just take a look from time to time.

Despite articles in Contact about Twinning with an overseas Church, we have had no more enquiries during the year about new "twins". However, the offer of help remains and if your Church does wish to investigate, please contact us.

Irvine Grey had intended to visit the House of Hope during the year so that we could have fresh photos and information from our project. We do know that they have started work on the kitchens, but sadly, Irvine's flight from Mombasa to Nairobi was cancelled and so he was unable to make the visit. We hope to have more

photos for our display board in the Conference Hall. £2,000 has been sent to the work to date but a final figure will be announced at Conference.

For our project this year, we move back to India, southern India to be exact, and partner with the Fountain of Life Ministries in a ministry set up to improve the lives of some of the poorest people in rural India. There will be more information about this on our stand.

We thank all of our Churches for their support for our missionaries and for our projects over the years and look forward to meeting many of you again at Conference.

Jan also brought to our attention the plight of the persecuted Church, it is so easy to say that we will pray for them, but things get in the way and stop us, the devil does not want us to pray. Next years Away Day with Open Doors will be an opportunity to increase our focus. Saturday 21st May workshop at a venue to be arranged.

Jan showed Conference the Wycliffe translation of the Gospel of Luke in the Waji language, as a result of our past projects, and dubbed Jesus film into their language.

This year project is the "Fountain of Life", based in Hope Valley in Derbyshire. Based in Andhra Pradesh in Southern India. They have built a building known as the Home of Hope, teaching ladies to sewing classes and a playing area, workers are Indian Christians drawn from the area.

The total given for the 2014/ 2015 project, House of Hope was £4,500.00

Women of Action Report

27. Report by Mrs S Fall

We would like to thank Meryl Griffiths for serving the Women of Action whilst in her year of office as President. Meryl has expressed the need for us to extend our vision, to be able to get alongside the women within the union where they are, to build on those connections and be a support to them. Meryl commented that she had gained in confidence as the year had progressed and it had been an interesting journey.

We welcome Beth Ely as our incoming President and pray that she will know God's presence and guiding as she ministers, and travels around the Union. Please continue to pray that God will enable Beth, protect her and bless her in all that she does on behalf of the Women of Action and I would encourage you to invite her to come to your church/meeting during her year of office.

The Autumn Reflection day in September last year at Moira Church was a very blessed time together. Sam Darby led us through the theme of 'Gems in God's Treasure Store'. We were reminded of how precious we each are to God, how individual, unique and specific, yet each one made for a purpose. We continue to be in awe of God as He affirms us and makes something beautiful of each life given over to Him.

The Spring Event this year was at Rushden Mission Church. This was a day of teaching led by Rev Elaine Roberts of World Mandate Ministries. Elaine took our name as her theme for the day and spoke Gods word to us all. Her 3 points were 'stop talking' 'listen to God' and 'do what he says'. Many women were impacted by God through Elaine's words, and lives were changed through the work of the Holy Spirit. One lady was also miraculously healed from the broken shoulder she had had for 5 months. It was an incredible day and I know that God will continue to work in our lives so that we will all be women of action, willing for God to use us, whatever way he chooses.

The Women of Action have been pleased to give a grant to Bethel Community Church for a holiday club that they did in August last year.

I am writing this report just days after our morning of prayer and AGM and what a day that was. We questioned the whole purpose of the Women of Action. We spent a lot of time in prayer because we recognise the need for us to listen to God, hear what He is saying and then act on it. It is no good making plans if they are not God's plans. We also acknowledged that we should not be restricted by the structures that are in place at the present time, if God is calling us into something new. The role of President was also

questioned, and it was suggested that perhaps with possible future changes, this role may adapt as we move on in all that God has for us. We definitely have a clear sense that the Women of Action needs to change from its present state of seeming to be irrelevant into something that will be more useful in today's world, for women of all ages throughout our churches.

It was felt that we needed to define our purpose and know what our mission is. 'To encourage and support all women of the church community in their faith and witness'

We believe that we should be supporting, encouraging and helping the ladies within our union of churches where they are within their local church and communities. Whether this be in providing extra hands to enable them to put on an event themselves or for us to host different events through the year in different regions. Or even just to be at the end of the telephone to have an encouraging conversation.

From the initiative that was realised last year, about helping ladies to put on an event we have been asked to help with an evangelistic ladies day at Church on the Rock. This is on Saturday July 18th. We have also had a request from another church for a ladies day which is yet to be arranged. We have put working parties together to arrange 2 other events in different regions as well and details will be sent out when finalised.

We will continue to seek God's will for the Women of Action, and there will be another meeting in September, where the ladies of the churches will be invited to attend and we can assess again where and how God is leading us. Date and venue to be announced.

We would ask for your continued prayers that we would be attentive and obedient to His voice, and thank you in advance for your support as we serve our God together and enable and equip the women of our Union of churches.

Officers for the year are:

| | |
|---|----------------------------|
| President | Beth Ely |
| President Elect | Sandra Fall |
| Secretary | Sandra Fall |
| Treasurer | Daphne Hodkinson |
| Contact Secretary | Anne- Marie Wilcock |
| Representative to Women's World Day of Prayer | Muriel Stonehewer |
| Representatives to General Committee | Beth Ely , Meryl Griffiths |

Sandra Stressed Beth's availability next year and hers the year after to involve in Church life, to met with women of Churches, not just Sunday. But through the week activities too.

They have questioned everything they do to measure the relevance to today, they must be following what God would have them do.

Future events Saturday 19th September at Coal Aston to review structure and to hear what God has to say to them. 10:30 to 12:30.

An event is planned in February/ March at Bedworth with Fred and Fran who have an amazing testimony of forgiveness after their 17year old son was murdered in 2007.

30. Housing for Retired Ministers Fund Report

Report by Rev C Braithwaite

It is some years now since the Housing Trust was set up in our Union in an effort to assist our ordained Ministers financially, particularly at the time of their retirement when sometimes they have problems with housing and other needs. It has been a joy to be able to help several of the Ministers over the years in different ways.

One of our Ministers has retired this year and another two plan to retire in the near future. The Trustees of the Scheme are always ready to discuss problems with our retiring or retired Ministers and to help where they can. In the first instance they would encourage any of our retired Ministers to contact the General Secretary to request an application form. Any requests will receive a sympathetic ear.

Sadly, during the year, Paul Busby, a Trustee of the fund, has died. In addition, Neil Sowerby has resigned as a Trustee. As a result of that, a recommendation will be brought to Conference for new Trustees to replace them. Muriel Stonehewer, George Phillips, and Brian Pratt continue to serve as Trustees.

Since last Conference the Trustees have received donations from several of our Churches and this has been very encouraging. Thank you to every Church who has helped in this way, it is much

appreciated and we look forward to new and continued support. If any Church feels able to support the work, even in these uncertain days of economic crisis, kindly send donations to Church House.

31. Ministers' Provident Society Report
Report by Rev P Hearson

As always, firstly we want to say a heartfelt thank you to those who have supported the Society over the past 12 months whether it was in prayer, financially or with your words of encouragement.

Over the year the number of annuitants has changed as two of our Ministers have reached the age of 65 and therefore have started to receive the quarterly gift. We have to report the passing of Rev. Ralph Thompson and Mrs. Marjorie Taylor (wife of Rev. Reg Taylor) during the year. Funeral gifts were made to their families. Currently we support 9 ministers and 4 widows. Those who receive gifts are very grateful for this support and many phone calls, letters, cards and emails are received. We now pay all gifts direct into bank accounts although a quarterly letter is still sent to ensure regular contact and encouragement.

You will note from the accounts that the balance has once again fallen by in excess of £9,000. We are pleased to report that gifts to the society have increased during the year but at the same time the amount of interest received has fallen due to the continuing low rates which are available.

The annuities will remain at £1000 per year and the funeral grant will remain at £500 despite the fall in funding.

We continue to support those who have given so much to the work of our Lord particularly through the Wesleyan Reform Union of Churches and we very much value your partnership with us in this important work.
